## Outcomes of Extension Activity-Industrial Visit to Biyani Technology

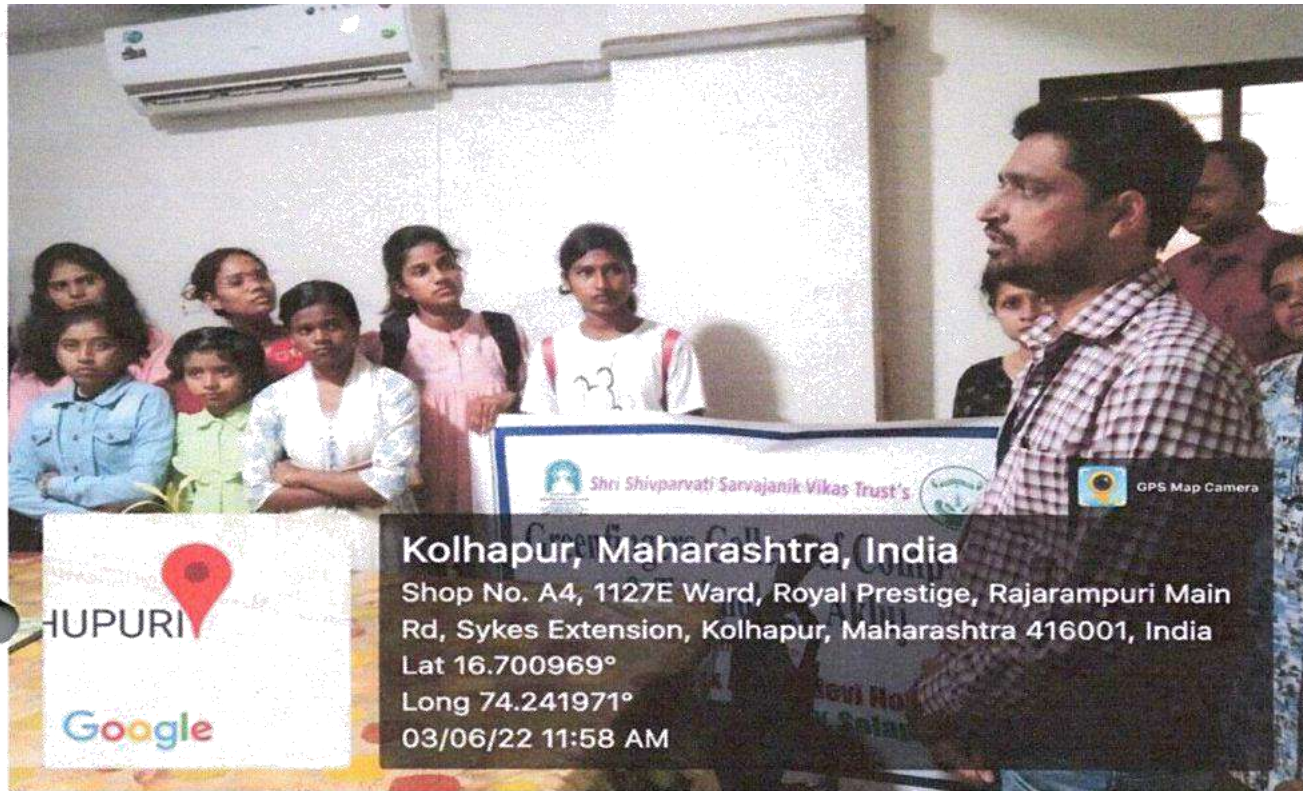

- Industrial visits provide students or participants with an opportunity to gain practical insights and real-world exposure to the technologies, processes, and operations of a technology company.
- Participants can deepen their understanding of specific technologies, products, or services offered by the company, which can complement their classroom learning.
- Industrial visits often involve interactions with company employees, including engineers, managers, and executives. This can facilitate networking opportunities and potential future collaborations.
- For students, an industrial visit can help them explore potential career paths within the technology industry and gain a better understanding of job roles and responsibilities.
- Seeing advanced technologies and innovation in action can inspire students or participants to pursue careers in technology or entrepreneurship.

### **Outcomes of Extension Activity-Swacch Vari Sundar Vari**

- The program may lead to the construction or refurbishment of public toilets and sanitation facilities, improving overall hygiene in the area.
- Enhanced waste collection and disposal systems can lead to cleaner streets and neighborhoods, reducing the risk of diseases and pollution.
- Community engagement and awareness campaigns can lead to behavioral changes, encouraging people to dispose of waste properly and maintain cleanliness.
- Cleaner surroundings and better sanitation can contribute to improved public health outcomes, reducing the prevalence of waterborne diseases and other illnesses.
- Reduced litter and pollution can have positive effects on the local environment, including water bodies and green spaces.
- The program may involve beautification efforts such as planting trees, creating green spaces, and adding artwork or sculptures to enhance the aesthetics of the area.
- Participation in cleanliness and beautification activities can foster a sense of community pride and ownership.

## Activity Report Swachh Vari Sundar Vari

"Swachh Vari Sundar Vari" Awareness Program organized by the NSS Department of Green Fingers College of Computer and Technology in Akluj! This program seems to have been focused on promoting cleanliness and awareness in the community, particularly during the Saint Tukaram Maharaj Palkhi Sohala event.

Event Name: Swachh Vari Sundar Vari Awareness Program

Organizer: NSS Department of Green Fingers College of Computer and Technology, Akluj

Acedemic year – 2022-23

Event Activities: Cooking and serving meals to the Varkari event participants of Saint Tukaram Maharaj Palkhi Sohala, as well as cleaning up the garbage generated during the event.

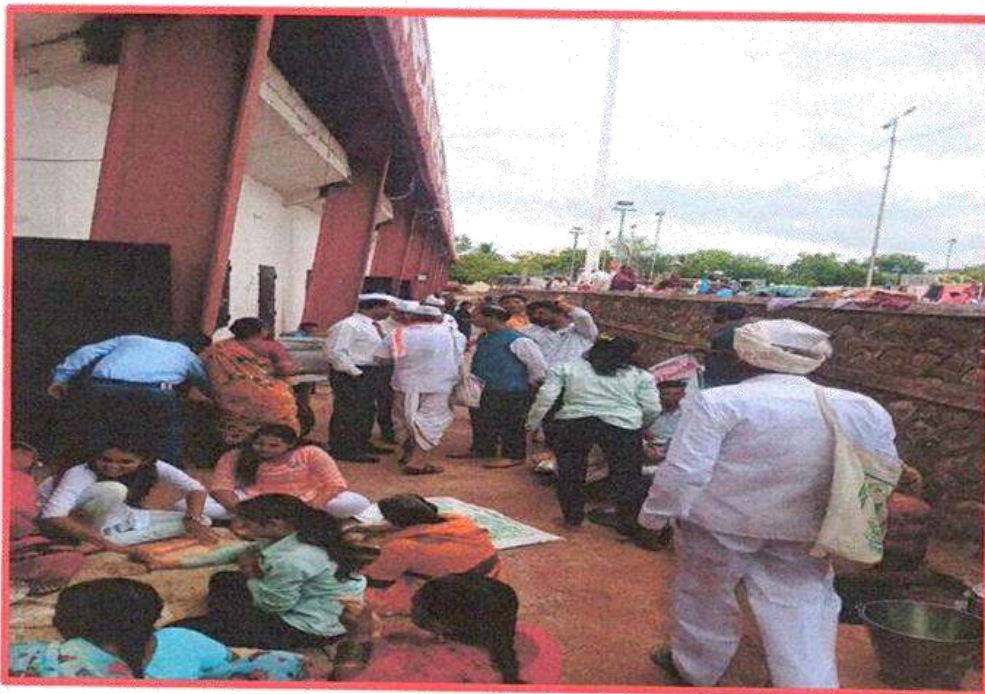

Many students participated in the program.

Dignitaries Present: College Principal Dr. Mahesh Dhembare, all staff members, and NSS students volunteers were present.

## ➤ Introduction

Three Days National level Workshop on Disaster Management has been organized by Department of NSS & IQAC in collaboration with Punyashlok Ahilyadevi Holkar Solapur University, Solapur and National Disaster Response Force (Training Directorate) Government of India. This workshop was arranged on 9<sup>th</sup> January to 11<sup>th</sup> January 2023.

We see disasters strike and affect the lives of millions of people each year. Most of us are aware of the key role disaster management plays in responses to such crises. However, over the recent decade's disaster management has grown to become an established career and academic field. Therefore, it is only right to ask, what really is the importance of disaster management and how does it help people affected by crises?

Disaster management is important because it aims to ensure an effective and coordinated response to disasters. Through work to save lives and reduce the impact of crises on affected communities, disaster management is fundamental to timely and effectual assistance to disaster hit people.

As per experiences, taking India into account, India is frail against 30 exceptional types of disasters that will impact the monetary, social, and human improvement potential such a lot that it will definitively influence the effectiveness and huge scope of financial execution. This widespread chaos and obliteration lead to the requirement for Disaster Management.

## Understanding Disasters

As per the Oxford dictionary a disaster is “a sudden accident or a natural catastrophe that causes great damage or loss of life”. A Disaster is an event or series of events, which gives rise to casualties and damage or loss of properties, infrastructure, environment, essential services or means of livelihood on such a scale which is beyond the normal capacity of the affected community to cope with. Disaster is also sometimes described as a “catastrophic situation in which the normal pattern of life or ecosystem has been disrupted and extra-ordinary emergency interventions are required to save and preserve lives and or the environment”

### Why in News?

In May 2019, more than 20 young people died due to a deadly fire at a coaching centre in Surat. According to National Crime Records Bureau data, India’s record is appalling on fire safety. More than 17,000 people nationwide died in fire related incidences in 2015. These tragedies highlight the gaps in Disaster Management framework of India.

In this context, there is a need to understand the various facets of Disaster Management and what should be done for fixing accountability and updation of disaster management protocol countrywide.

### What is a Disaster?

A disaster is a result of natural or man-made causes that leads to sudden disruption of normal life, causing severe damage to life and property to an extent that available social and economic protection mechanisms are inadequate to cope.

It is an undesirable occurrence resulting from forces that are largely outside human control. It strikes quickly with little or no warning and requires major efforts in providing statutory emergency service.

### **Classification of Disasters**

Disasters are classified as per origin, into natural and man-made disasters. As per severity, disasters are classified as minor or major (in impact). Natural disasters are sudden ecological disruptions or threats that exceed the adjustment capacity of the affected community and require external assistance.

Natural disasters can be broadly classified into categories including geophysical such as earthquakes and volcanic eruptions; hydrological such as floods; meteorological such as hurricanes; climatological such as heat and cold waves and droughts; and biological such as epidemics. Man-made disasters can include hazardous material spills, fires, groundwater contamination, transportation accidents, structure failures, mining accidents, explosions and acts of terrorism.

### **Causes for Occurrence of Disaster**

Environmental degradation: Removal of trees and forest cover from a watershed area have caused, soil erosion, expansion of flood plain area in upper and middle course of rivers and groundwater depletion. Developmental process: Exploitation of land use, development of infrastructure, rapid urbanization and technological development have caused increasing pressure over the natural resources.

### **Political issues**

War, nuclear power aspirations, fight between countries to become super power and conquering land, sea and skies. These have resulted into wide range of disaster events such as Hiroshima nuclear explosion, Syrian civil war, growing militarisation of oceans and outer space.

Industrialization: This has resulted into warming of earth and frequency of extreme weather events has also increased.

### **Impacts of Disaster**

Disaster impacts individuals physically (through loss of life, injury, health, disability) as well as psychologically. Disaster results in huge economic loss due to destruction of property, human settlements and infrastructure etc. Disaster can alter the natural environment, loss of habitat to many plants and animals and cause ecological stress that can result in biodiversity loss. After natural disasters, food and other natural resources like water often becomes scarce resulting into food and water scarcity. The disaster results in displacement of people, and displaced population often face several challenges in new settlements, in this process poorer becomes more poor. Disaster increases the level of vulnerability and hence multiply the effects of disaster.

### **Vulnerability Profile of India**

India is vulnerable, in varying degrees, to a large number of disasters. Around 59% of the landmass is prone to earthquakes of moderate to very high intensity. About 12% (over 40 million hectares) of its land is prone to floods and river erosion. Close to 5,700 kms, out of the 7,516 kms long coastline is prone to cyclones and tsunamis. About 68% of its cultivable area is vulnerable to droughts; and, the hilly areas are at risk from landslides and avalanches. Moreover, India is also

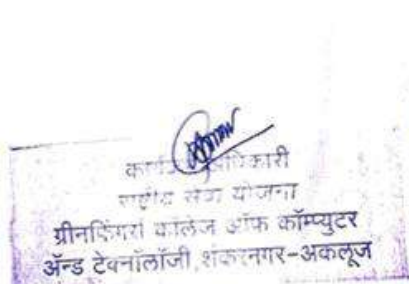

vulnerable to chemical, biological, radiological and nuclear (CBRN) emergencies and other man-made disasters.

### Outcomes of Extension Activity Three Days workshop on Disaster Management

- The primary outcome of NDRF activities is their ability to respond rapidly to disasters and emergencies. They are often among the first responders to the scene, ensuring that help reaches affected areas quickly.
- One of the most critical outcomes is the saving of lives. NDRF teams are trained to conduct search and rescue operations, including the extraction of people trapped in collapsed buildings or debris during natural disasters such as earthquakes, floods, and landslides.
- NDRF provides medical assistance to those injured in disasters. They have medical teams equipped to provide immediate care and support to survivors.
- NDRF teams work to mitigate the damage caused by disasters. This includes actions like shoring up riverbanks to prevent flooding, reinforcing structures, and using various tools and techniques to stabilize the situation.
- NDRF plays a crucial role in coordinating disaster response efforts with other government agencies, local authorities, and non-governmental organizations. Effective coordination ensures a more efficient and organized response to disasters.

### Outcomes of Extension Activity-Tree Plantation

- Trees absorb carbon dioxide during photosynthesis, helping to mitigate climate change by reducing greenhouse gas emissions.
- Trees filter pollutants from the air, improving air quality and reducing respiratory illnesses.
- Tree roots stabilize soil, preventing erosion and reducing the risk of landslides.
- Tree plantations enhance the beauty of communities, parks, and urban areas.
- Tree planting events often bring communities together, fostering a sense of ownership and pride in local green spaces.
- Tree planting initiatives can be educational, teaching people about the importance of trees and ecosystems.

## Tree Plantation Activity Banner

The banner features a background image of a hand holding a small green seedling in soil. The text is overlaid on this image. In the top left corner is the National Service Scheme (NSS) logo. In the top right corner is the college's crest. The main text is centered and reads: "Shri Shivparvati Sarvajanik Vikas Truts's" in red, followed by "GREENFINGERS COLLEGE OF COMPUTER & TECHNOLOGY, AKLUJ" in green, and "(Affiliated to Punyasholak Ahilyadevi Holkar Solapur University, Solapur)" in black. Below this, "TREE PLANTATION" is written in large red letters. At the bottom right, the date "Date- 06/08/2022" is written in red.

## Activity Report Har Ghar Tiranga

Date: August 13, 2022.

### Introduction:

"Har Ghar Tiranga" translates to "Flag in Every Home" and is an initiative aimed at promoting patriotism and national unity by encouraging citizens to proudly display the Indian national flag at their homes. In this report, we highlight the Har Ghar Tiranga program celebrated at Greenfingers College of Computer and Technology in Yashwantnagar, Akluj, where students and faculty came together to spread the message of national pride and solidarity. The

The Har Ghar Tiranga initiative was launched to commemorate significant national events, including Independence Day and Republic Day, by urging citizens to display the tricolor flag on their residential premises. The program aims to instill a sense of national identity and inspire individuals to participate actively in building a strong and united India.

The celebration of the Har Ghar Tiranga program in Greenfingers College of Computer and Technology, Yashwantnagar, Akluj, fostered a strong sense of national pride and unity among students and faculty. Through various activities, the college community actively participated in promoting the initiative and spreading the message of patriotism. The program exemplified the spirit of democracy and national identity, transcending cultural, linguistic, and regional barriers. By displaying the tricolor flag in every home, Greenfingers College of Computer and Technology, Yashwantnagar, Akluj, contributed to building a stronger and more cohesive India, embracing the values of diversity, inclusivity, and shared heritage. The Har Ghar Tiranga Program continues to serve as a powerful reminder of our duty as responsible citizens to cherish and uphold the ideals of the Indian nation.

## **Outcomes of Extension Activity Empowerment of Person with Disabilities Camps**

- Empowerment camps often focus on building participants' self-esteem and self-confidence. Through various activities and support systems, individuals with disabilities can gain a more positive self-image and belief in their abilities.
- Empowerment camps provide opportunities for individuals with disabilities to connect with peers facing similar challenges. Building social networks and friendships can reduce feelings of isolation and create a sense of belonging.
- Empowerment camps can connect individuals with disabilities to valuable resources, including assistive technologies, support services, and organizations that can provide ongoing assistance.
- Camps may teach participants how to advocate for themselves and others with disabilities. This includes understanding disability rights and effective advocacy strategies.

### Activity Report- Empowerment of Person with Disabilities Camps

**Date:** 23<sup>th</sup> August 2022 to 1<sup>st</sup> September 2022

**Duration:** 10 days

#### Executive Summary:

Tehsil level camp for disables were organized by Greenfingers College of Computer and Technology, Yashwantnager, Akluj. Seventy eight students volunteers were participated in the camp in collaboration with the Artificial Limbs & Manufacturing Corporation of India (ALIMCO), and with support from the Ministry of Social Justice & Empowerment and the Department of Empowerment of Persons with Disabilities, was conducted from 25th August 2022 to 4th September 2022 across four different locations. The primary aim of the camp was to provide free artificial limbs, calipers, and mobility aids to individuals with disabilities, along with raising awareness about disability rights and empowerment.

The Department of Empowerment of Persons with Disabilities in the Ministry of Social Justice & Empowerment facilitates empowerment of the persons with disabilities, who as per Census 2011 are 2.68 crore and are 2.21 percent of the

### Outcomes of Extension Activity – Vermicomposting

- Vermicomposting produces nutrient-rich compost that is often considered superior to traditional compost.
- Vermicomposting helps divert organic waste from landfills, reducing the amount of waste that ends up in landfills and the associated environmental problems, such as methane emissions.
- Vermicompost provides a slow-release source of nutrients for plants, promoting healthy growth and reducing the need for chemical fertilizers.
- The vermicomposting process can help reduce harmful pathogens and pests in the composted material, making it safer for use in gardens and agriculture.

## Outcomes of Extension Activity Voter Awareness Programs

- primary goals of voter awareness programs is to encourage eligible citizens to participate in the democratic process by registering to vote and actually casting their ballots during elections.
- Voter awareness programs aim to educate citizens about the importance of their vote and the impact it can have on various levels of government.
- Some voter awareness programs focus on addressing barriers to voting, such as voter suppression tactics or discriminatory practices.
- Many voter awareness programs target young voters to encourage them to become active participants in the political process.

## **ELECTORAL LITERACY CLUB**

Electoral literacy is essential if democracy is to reach its pinnacle. The Electoral Literacy Club at the Greenfingers College of Computer and Technology, Akluj is formed to accomplish goal to educate students about their democratic rights, which include the right to vote. A variety of activities and programmes will be conducted, which includes seminars, webinars, workshops, discussions, debates, drawing, and quizzes. The Executive Committee will look after the ELC's overall activities.

### **Vision**

- ✓ The Electoral Literacy Club is committed to making the greatest possible contribution to developing an engaged democratic citizenry among the population.

### **Mission**

- ✓ This club's mission is to educate and inform students about their democratic rights.
- ✓ To educate the population about their voter registration, electoral process and matters related to a conduct of fair and orderly election process.
- ✓ To acquaint targeted populations with EVMs and VVPATs and to educate them about the EVM's resilience and the electoral process's integrity when utilizing EVMs.
- ✓ To foster a culture of democratic living, and equality to propagate ethical voting, and to adhere to the principles of 'Every vote counts' and 'No Voter is Left Behind.'

## **Objectives**

The main objectives of the Voter Awareness Program were as follows:

- ✓ Increase voter registration and turnout among eligible citizens.
- ✓ Educate voters about the electoral process, candidates, and issues.
- ✓ Encourage voters to make informed choices based on unbiased information.

✓ Foster a sense of civic responsibility and participation.

### Activity Report

Model United Nations Assembly (MUNA) organized by Greenfingers College of Computer & Technology in collaboration with the Rotary Club Akluj was a significant event held on December 6, 2022 10:00 Am, at the College Function Hall. The chosen theme for MUNA was the Russia-Ukraine war. Nine teams participated in this event, representing various countries: India, China, America, England, Iran, Russia, Ukraine, Germany, France and a team for the Chief Guest and Jury members.

The event was graced by several notable individuals, including:

Chief Guest and Jury Member: Dilip Prabhune

Rotary President: Deepak Phade

College Principal: Dr. Mahesh Dhembare

Head of Department (HOD): Salunkhe sir

Student Representatives

The event was hosted and anchored by Prof. Londhe Anil Sir. During the event, participants engaged in discussions, debates, and simulations centered around the Russia-Ukraine war theme, representing their respective countries' viewpoints. The event aimed to foster diplomacy, negotiation, and problem-

## Activity Report Walk on Ride Road safety Awareness Program

### Road Safety Awareness Week

The "Walk on Ride Road Safety Awareness Program" organized by the NSS Department of Green Fingers College of Computer and Technology in Akluj, in collaboration with RTO Akluj, is a commendable initiative to raise awareness about road safety among students and the community.

Date: 17th January 2023

Venue: The event began at Vijaysinh Mohite Patil Krida Sankul Akluj and followed a route to the new ST Bus Stand, Sadubhau Chowk, Gandhi Chowk, Old ST Stand, and back to the Krida Sankul.

Many students of college participated in the event, making it a significant effort in involving the student community.

Dignitaries Present: The event saw the presence of notable dignitaries, including Dr. Mahesh Dhembare Sir, the college principal, an RTO officer, all staff members, and NSS (National Service Scheme) students valuers. Their presence adds weight to the event's importance and helps spread the message effectively.

- Encouragement of a healthier lifestyle, which can lead to reduced rates of lifestyle-related diseases.
- Development of sports infrastructure and facilities across the country to support fitness and athletic activities.

### Activity Report On Fit India Campign

On the occasion of Fit-India Freedom Run Greenfingers College of Computer & Technology, Akluj has organized "One Day National Webinar on Nutritional Diet during Covid-19 Outbreak". The webinar was held on 11<sup>th</sup> Sept 2021 at 2:00 PM.

Under the guidance of NSS Director Dr. Gunwant Sarvade and Divisional Coordinator Dr. Chankeshwar Londhe, NSS Section and IQAC Cell of Greenfingers College of Computer & Technology, Akluj organized this event.

The said topic of the webinar is very useful in today's pandemic situation. There are 208 students, research scholars and faculties have register and actively participate in webinar.

The chief speaker Prof. Pradnya V. Sorate Assistant Professor, Vijaysinh Mohite-Patil College of Nursing & Medical Research Center, Akluj has delivered excellent information about covid-19 & diet.

We are very thank full to Dr. Gunwant Sarvade NSS Director and Dr. Chankeshwar Londhe, NSS Divisional Coordinator, Principal Prof. Sanjay Salunkhe and Prof. Pradnya V. Sorate Assistant Professor, Vijaysinh Mohite-Patil College of Nursing & Medical Research Center, Akluj.

### Outcomes of the Extensive Activity NSS special camps

- NSS camps provide an opportunity for students to actively engage in community service projects.
- Participants develop a strong sense of social responsibility as they work to address community needs and contribute to the welfare of society.
- Participants often come from diverse backgrounds, and NSS camps promote cultural exchange and understanding among students from different regions and backgrounds.
- Health-related activities in NSS camps, such as medical camps and awareness programs, contribute to improved health knowledge and practices among participants and the community.
- NSS camps often involve tree planting, clean-up drives, and other environmental initiatives that promote conservation and sustainability.
- NSS camps provide opportunities for students to take on leadership roles, organize events, and lead teams, fostering leadership skills.
- Participation in NSS camps and volunteer work can enhance a student's resume and open up career opportunities in fields related to social work, public administration, and nonprofit organizations.

### Activity Report NSS special camps

**Date: 23 / 9 / 2021 to 29 / 9 / 2021**

#### Introduction:

The 7-Day National Service Scheme (NSS) Workshop conducted in Chaundeshwar Wadi, a rural community, aimed to empower local youth with the knowledge and skills necessary to contribute effectively to their community's development. The workshop was organized by **Greenfingers college of Computers and Technology Akluj** and took place from **23th Sept 2021 to 29th Sept 2021**

#### Objectives:

##### The workshop had the following objectives:

1. To introduce the concept of NSS to the youth in the Chaundeshwar Wadi and raise awareness about its significance.
2. To provide training and capacity-building opportunities for the youth to become active volunteers and leaders in community development.
3. To identify and address the specific social issues and challenges faced by the rural community.
4. To foster a sense of social responsibility and encourage sustainable practices among the participants.

#### Participants:

The workshop welcomed enthusiastic youth from the Chaundeshwar Wadi, aged between 18 to 25 years, who were eager to contribute positively to their community. The participants were from diverse backgrounds, including students, farmers, artisans, and other community members.

### Activities and Sessions:

1.The 7-day workshop featured a carefully crafted agenda that combined theoretical sessions, practical fieldwork, and interactive activities. Some of the key components of the workshop included:

2.Introduction to NSS: The workshop commenced with an introduction to NSS, its history, principles, and its potential impact on rural development.

3.Village Needs Assessment: Participants conducted a comprehensive needs assessment of the village to identify the most pressing issues and areas requiring attention.

4.Sustainable Development: Sessions on sustainable agriculture, environmental conservation, and renewable energy were organized to promote sustainable practices within the village.

5.Leadership and Team Building: Specialized sessions were conducted to instill leadership qualities and teamwork skills in the participants, enabling them to organize and lead NSS activities effectively.

6.Health and Hygiene: Expert speakers conducted sessions on healthcare, hygiene, and disease prevention, addressing the importance of these aspects for community well-being.

7.Community Engagement: Participants engaged in community-driven projects such as cleanliness drives, awareness campaigns, and tree plantation activities.

### Outcomes of the Extensive Activity Swachh Bharat Abhiyan

- One of the primary objectives of the Swachh Bharat Abhiyan was to ensure access to improved sanitation facilities, particularly in rural areas.
- The campaign sought to make India ODF by constructing toilets and encouraging people to use them instead of open defecation.
- The Clean India Movement aimed to bring about a behavioral change in individuals and communities regarding hygiene and sanitation.
- Swachh Bharat Abhiyan focused on creating public awareness about the importance of cleanliness and sanitation.
- Improved sanitation and hygiene practices have direct health benefits.

### Activity Report Swachh Bharat Abhiyan

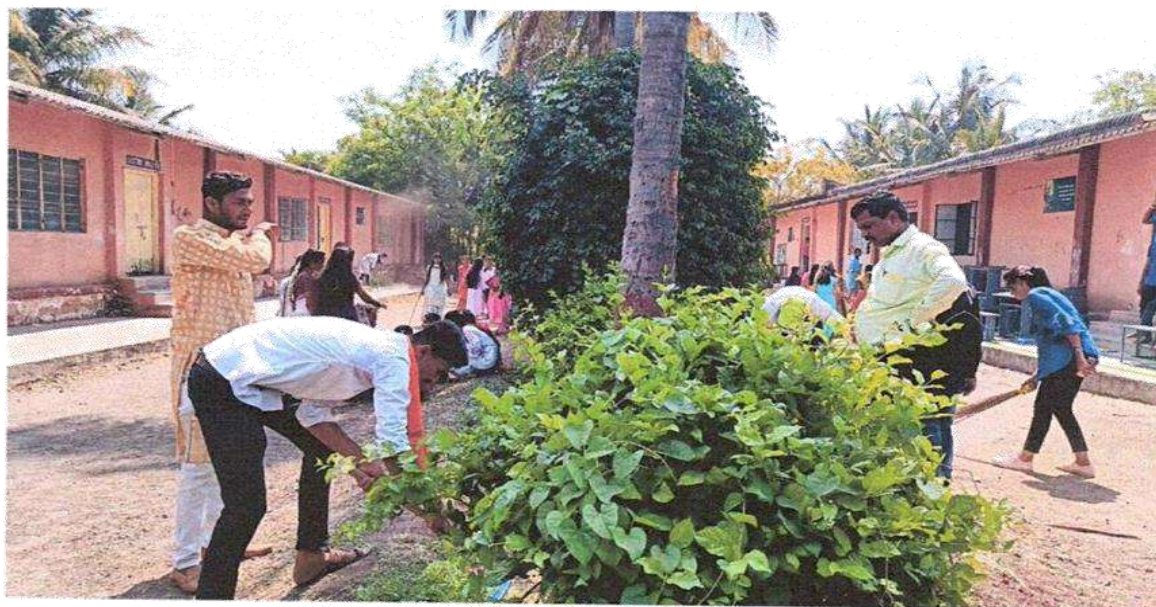

Swach Bharat Abhiyan organized by Greenfingers College of Computer & Technology, Yashwantnagar, Akluj on October 2021, was a great initiative to promote cleanliness and hygiene. It's wonderful to hear that both students and teachers actively participated in cleaning the college campus and collecting garbage. Additionally, involving the Grampanchayat Yashwantnagar shows a collaborative effort to keep the surroundings clean. Such initiatives contribute significantly to creating a clean and healthy environment, as well as raising awareness about the importance of maintaining cleanliness in our surroundings.

### Outcomes of the Extensive Activity COVID -19 vaccination camps

- By organizing vaccination camps in local communities, it fosters a sense of community engagement and solidarity in the fight against COVID-19.
- Vaccination camps collect data on the number of people vaccinated, demographics, and adverse reactions, which helps public health officials make informed decisions and track vaccination progress.
- Successful vaccination camps can build trust in the healthcare system and government efforts to combat the pandemic, encouraging more people to get vaccinated.
- These camps can help address health disparities by targeting underserved communities and populations with limited access to healthcare services.
- It's important to note that the success of vaccination camps depends on effective planning, communication, vaccine supply

### Outcomes of the Extensive Activity Mazi Vasundhara

- Trees absorb carbon dioxide (CO<sub>2</sub>) from the atmosphere, helping to mitigate climate change by reducing greenhouse gas levels.
- Tree roots help stabilize soil and prevent erosion, especially in areas prone to landslides and soil erosion.
- Trees provide habitats and food sources for various wildlife species, contributing to biodiversity conservation.
- Trees provide shade, reducing urban heat island effects and helping to cool the environment in hot climates.
- Access to green spaces with trees can improve mental well-being and reduce stress.
- Tree planting activities can raise awareness about environmental issues and the importance of conservation.
- Planting trees can be an educational opportunity for schools and communities to learn about ecology and environmental stewardship.

## Report

### "Mazi Vasundhara"

"Mazi Vasundhara Abhiyan" that took place at Greenfingers College of Computer & Technology in collaboration with Grampanchayat Yaswantnagar Akluj on January 8, 2022. The event took place on the college campus. Hon'ble Shitaldevi Mohite Patil, the Chairperson of Shivratri Shikshan Santha, was present and participated in tree plantation. The event was attended by College Principal Dr. Mahesh Dhembare, NSS Coordinator, staff, and students. The event started at 11:00 am.

The "Mazi Vasundhara" tree plantation program exemplified a collective effort to combat environmental challenges and promote sustainable development. Through community engagement and responsible tree-planting practices, the initiative contributed positively to the region's ecological balance and biodiversity.

**Industrial Visit to the Sahakar Maharshi Shankarrao Mohite-Patil Sahakari Sakhar Karkhana Ltd.  
Shankarnagar-Akluj.**

**Report**

**2022-23**

**Date:- 17 Feb 2023**

Our College has organized Sahakar Maharshi Shankarrao Mohite-Patil Sahakari Sakhar Karkhana Ltd. Shankarnagar-Akluj on 17 Feb 2023.

for the purpose of to know the actual IT working and different function along with management of. And Gain insights into the role of data analysis, automation, and digital systems in enhancing efficiency and productivity. On the same day 35 students from department and 4 teaching staff visited the sugar factory. different Officers from different departments given information to practical implementation of computer science and technology in the sugar production and management processes.

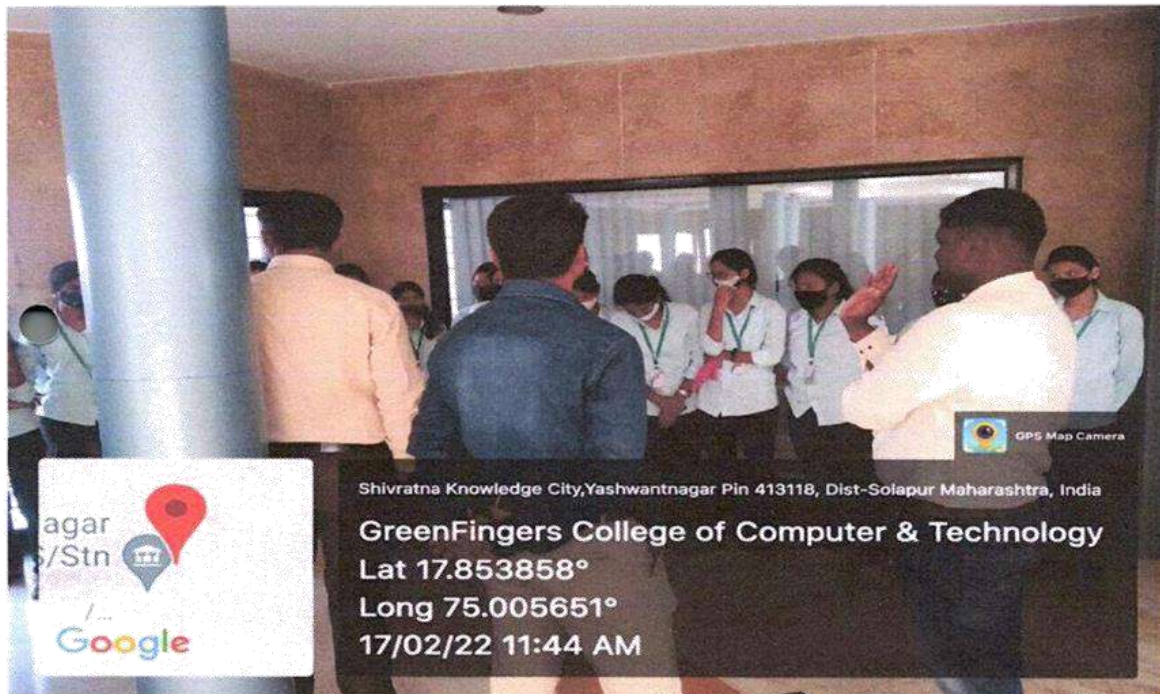

We are thankful In charge Principal S. S. Salunkhe sir, who has encouraged and guidance for this industrial visit.

### Outcome of the extension Activity NSS Special Camps

- NSS camps provide an opportunity for students to actively engage in community service projects.
- Participants develop a strong sense of social responsibility as they work to address community needs and contribute to the welfare of society.
- Participants often come from diverse backgrounds, and NSS camps promote cultural exchange and understanding among students from different regions and backgrounds.
- Health-related activities in NSS camps, such as medical camps and awareness programs, contribute to improved health knowledge and practices among participants and the community.
- NSS camps often involve tree planting, clean-up drives, and other environmental initiatives that promote conservation and sustainability.
- NSS camps provide opportunities for students to take on leadership roles, organize events, and lead teams, fostering leadership skills.
- Participation in NSS camps and volunteer work can enhance a student's resume and open up career opportunities in fields related to social work, public administration, and nonprofit organizations

### Activity Report-NSS Camp

#### Day 1: Cleaning Day

The NSS Camp at Bagechiwadi, organized by Greenfingers College Akluj, commenced with great enthusiasm and energy on its first day. The focus of the day was to initiate a thorough cleaning drive to improve the overall cleanliness of the area. The camp participants, comprising dedicated volunteers from the college, actively engaged in cleaning the surroundings. They meticulously swept the streets, collected litter, and tidied up public spaces.

#### Day 2: Tree Plantation and Road Cleaning

On the second day, the NSS volunteers continued their impactful work. They embarked on a dual mission of tree plantation and road cleaning. The volunteers planted saplings of various native tree species to promote environmental sustainability and contribute to a greener future. Concurrently, they took to the roads with brooms and cleaning equipment, further emphasizing the importance of maintaining a hygienic environment.

#### Day 3: Student Guidance Speech by Dr. Mulik Sir

The third day of the NSS Camp was a highly enlightening experience for the volunteers. Dr. Mulik Sir, the respected Head of Department of SM Mahavidyalay Akluj, delivered an inspiring speech on student guidance. Drawing from his extensive

experience, he shared valuable insights and advice on career planning, personal development, and the role of community service in shaping well-rounded individuals.

#### Day 4: Constructing a Small Bandhara

The concluding day of the NSS Camp witnessed a remarkable achievement as the volunteers collaborated to construct a small bandhara (miniature water reservoir). This project aimed to address water scarcity concerns in the area and provide a sustainable solution for water storage. The volunteers worked tirelessly, digging and shaping the reservoir, and building the necessary infrastructure. The completion of the bandhara marked a significant accomplishment, symbolizing the collective dedication and commitment of the NSS volunteers towards community welfare.

#### Day 5 Women's Day Celebrated at Krushanand Vidya Mandir in Patil Vasti,

Celebrating International Women's Day as part of an NSS camp is a meaningful way to engage students in activities that promote gender equality, women's empowerment, and social responsibility. Such events often involve a combination of educational workshops, interactive sessions, community service projects, and cultural activities to create a positive impact and raise awareness about gender-related issues.

Mrs. Fatima Patawal's guidance and involvement indicate her commitment to fostering positive change and empowering young minds through this initiative. It's heartening to see educational institutions like Greenfingers College and community leaders like Mrs. Fatima Patawal coming together to celebrate and promote the importance of women's contributions in society.

### Activity Report - International Women Day

Greenfingers College of Computers and Technology in Akluj organized an event to celebrate International Women's Day on March 8, 2022. The presence of Hons Shitaldevi Mohite-Patil, the president of the Daughters Mom Foundation, surely added a meaningful perspective to the event. With 102 students and staff in attendance, the event appears to have garnered a strong turnout, reflecting the importance of recognizing and celebrating women's achievements and contributions. The fact that the event included a poster presentation competition adds an interactive and educational element to the celebration.

Poster presentation competitions can be a great way for students to creatively express their thoughts and ideas related to women's issues, empowerment, and gender equality. Such competitions encourage participants to research, think critically, and communicate their perspectives effectively.

Events like these provide a platform for promoting awareness, education, and dialogue about gender-related topics. They contribute to fostering a supportive and inclusive environment within the college community, and they can also have a positive impact on broader social discussions.

### Activity Report –Workshop on Bonsai Tree Making

"Workshop on Bonsai Tree Making" organized by the NSS department Greenfingers College of Computer & Technology Akluj was a significant event. The workshop was guided by Dr. Savalajkar R.L., who is the Head of the Botany Department at Shankarrao Mohite Mahavidyalaya in Akluj. The purpose of the workshop was to teach students how to create bonsai trees. During the event, Dr. Savalajkar provided guidance to students on the art of bonsai tree cultivation. The event was hosted by Prof. Londhe sir and attended by College Principal Dr. karche B.R. and other staff members. The workshop took place on March 12, 2022, starting at 1:00 PM, and the venue was the college campus.

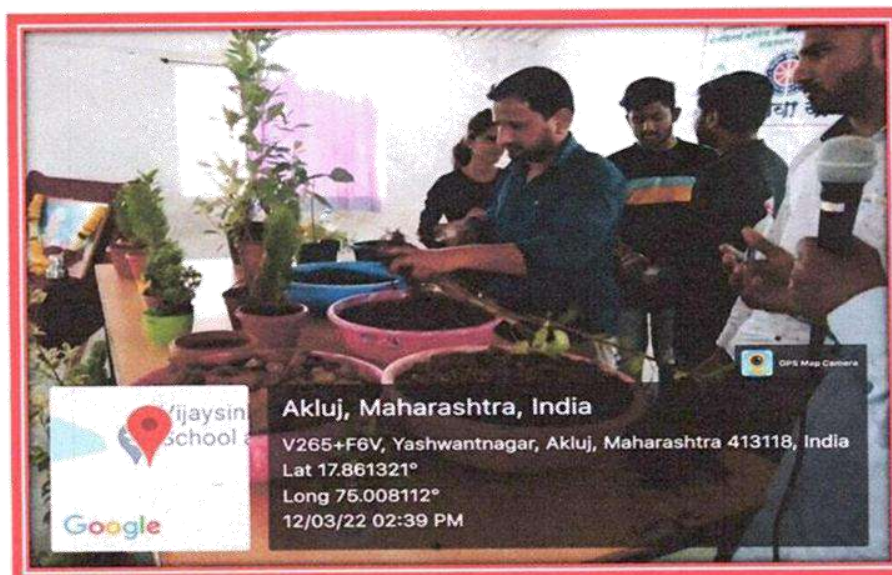

**The Art of Bonsai tree making - Guest with college participated students**

## Outcomes of the Extensive Activity-Women Empowerment

- Women who participate in empowerment activities often gain skills, resources, and opportunities to generate income.
- Empowerment programs may focus on increasing access to education for girls and women.
- The outcome can be higher literacy rates, improved educational attainment, and increased opportunities for further learning and skill development.
- Empowerment activities may include health education and access to healthcare services.
- Empowerment efforts often encourage women to become active participants in the political process.
- Women's participation in empowerment programs can lead to greater social inclusion and community acceptance.

**Advocate Hasina Shaikh guide girl's students on Women Empowerment**

## महिला सबलीकरणात कायद्याची भूमिका महत्त्वपूर्ण : अॅड. हसीना शेख

अकलूज : पुढारी वृत्तसेवा ग्रॅनफिगर्स कॉलेज ऑफ कॉम्प्युटर अँड टेक्नॉलॉजी येथे गुणवत्ता दक्षता समितीच्या वतीने मुलींसाठी भारतीय कायदे व महिला सबलीकरण, कायदा सुव्यवस्था यांचे ज्ञान, लैंगिक छळ प्रतिबंधक दक्षता निवारण या विषयांवर विद्यार्थिनींसाठी अॅड. हसीना शेख यांचे मार्गदर्शन आयोजित केले होते.

अॅड. हसीना शेख म्हणाल्या की, आपल्या समाजात अजूनही बऱ्याच प्रमाणात बऱ्याच ठिकाणी महिला मानसिक, भावनिक, शारीरिक, सामाजिक किंवा आर्थिकदृष्ट्या परावलंबी असते. म्हणून स्त्रीला सक्षम करणे, त्यांच्यावरील अन्याय

अकलूज : मुलींना मार्गदर्शन करताना अॅड. हसीना शेख.

दूर करणे आणि त्यांच्या हक्काचे रक्षण करणे याद्वारे आपले कायदे हे महिलांसाठी संरक्षक स्वरूपाचे आहेत.

महिलांना स्वतःच्या पायावर उभे राहण्याची, स्वतःचे निर्णय स्वतः घेण्याची, आणि जबाबदारी घेण्याची

जाणीव करून दिली तर मुली खऱ्या अर्थाने सक्षम होतील.

महिला सबलीकरणात कायद्याची भूमिका कायम महत्त्वपूर्ण राहिली आहे. यावर्षी जागतिक महिलादिन 'ब्रेक द बायस' ही संकल्पना घेऊन साजरा होत आहे. सर्व महिलांनी आर्थिक सक्षम व स्वतंत्र होणे गरजेचे आहे.

यासाठी सर्व मुलींनी चांगले शिक्षण घेऊन आपल्या पायावर उभे राहावे. यावेळी विद्यार्थिनींनी प्रश्न विचारून आपल्या शंकांचे निरसन केले. या कार्यक्रमाप्रसंगी प्राचार्य डॉ. भानुदास कर्वे व सर्व महिला प्राध्यापिका उपस्थित होत्या. कार्यक्रमाचे सूत्रसंचालन रवेता अग्रवाल हिने केले.

### Activity Report Gender Equality

Gender Equity program organized by the NSS Department Greenfingers College of Computer & Technology Akluj. The initiative to promote gender equality and provide equal opportunities for both boys and girls is essential for creating a more inclusive society. Going door to door and counseling people about these principles can have a positive impact on raising awareness and changing attitudes.

The focus on not discriminating based on gender and ensuring equal justice for all is commendable. Harassment and inequality in education can hinder the growth and potential of individuals, particularly girls. By addressing these issues, the NSS students are contributing to a more just and equitable environment.

It's wonderful to here that NSS students from Greenfingers College of Computer & Technology participated in the door-to-door campaign in Sujayanagar, Swaroopnagar, old Akluj. The event's date on 10th January 2021 shows that this initiative was taken early in the year, setting a positive tone for the rest of the year.

Such initiatives play a crucial role in shaping a society where everyone has equal rights and opportunities, regardless of their gender. It's heartening to see educational institutions taking an active role in fostering positive change.

### Outcomes of the Extension Activity tree Plantation

- Trees absorb carbon dioxide from the atmosphere, helping to mitigate climate change by reducing greenhouse gas concentrations.
- Improved Air Quality: Trees filter pollutants from the air and release oxygen, leading to cleaner and healthier air.
- Soil Erosion Prevention: The roots of trees help bind soil together, reducing erosion and preserving valuable topsoil.
- Biodiversity: Trees provide habitat and food for various wildlife species, promoting biodiversity.

## Activity Report of Tree Plantation

### Introduction:

The tree plantation activity was organized by Greenfingers College of Computers and Technology, Akluj as a part of our ongoing efforts to promote environmental awareness and sustainability among our students. The objective of this activity was to instill a sense of responsibility towards nature and create a greener and cleaner campus. The tree plantation activity took 25/3/2021 at Greenfingers college of computers & technology Akluj. The chosen location was carefully selected to provide optimal growing conditions for the saplings and to enhance the overall green cover of our campus.

Upon arrival at the plantation site, the participants were divided into small groups, each led by experienced volunteers and faculty members. Before the plantation process began, the groups received a brief orientation on the correct planting techniques and the significance of each step. Each participant was eager to plant their assigned sapling, showing great enthusiasm and care in the process.

## Activity Report Awareness Program in Vari

### Activity Report

Greenfingers College of Computers and Technology, Akluj organized an awareness program under the National Service Scheme (NSS) in Vari. The program took place after Saint Dnyaneshwar Maharaj's Palkhi Sohla arrived in

Valapur on July 25 2019. During this event, the college students distributed 50,000 Patrawalis, which were provided by Solapur University, to all the devotees.

The purpose of distributing these Patrawalis was to provide food to Varkaris, who are pilgrims participating in the Palkhi Sohala. Additionally, it seems that the distribution of Patrawalis served as an environmental supplement, suggesting that this initiative was not only focused on providing food but also on promoting environmental awareness.

It's great to see educational institutions and organizations taking part in such initiatives to support the community, raise awareness, and contribute to environmental sustainability.

### Outcome of the extension Activity –Indian Constitution Day Celebration.

- Constitution Day serves as a reminder to citizens about the importance of the Indian Constitution in shaping the country's governance, laws, and principles
- It highlights the achievements of India's democratic system and the protection of fundamental rights.
- It reminds them of the sacrifices made by the framers of the Constitution to establish a just and equitable society.
- It encourages citizens to reflect on their fundamental rights and duties as enshrined in the Constitution.
- It emphasizes the importance of checks and balances in the system.
- The Indian government may use this occasion to announce or launch initiatives related to constitutional reforms, legal reforms, or measures aimed at improving governance.

### Activity Report

## Indian Constitution Day

**Location:** Greenfingers College of Computers and Technology, Akluj

### Introduction:

Indian Constitution Day, also known as Constitution Day or Samvidhan Diwas, is celebrated on November 26 every year in India to commemorate the adoption of the Constitution of India. This day is a tribute to the makers of the Indian Constitution and serves as a reminder of the significance of the Constitution in shaping the country's democratic principles and governance. In this context, our college organized a special event to celebrate Indian Constitution Day, with Dr. Vishwanath M. Awad (HOD Political Science Shankarrao Mohite Mahavidyalaya Akluj), a renowned legal scholar and constitutional expert, as the chief guest.

### Event Details

**Opening Ceremony:** The event commenced with a grand opening ceremony where the college staff, students, and special guests gathered to pay homage to the framers of the Indian Constitution. The national anthem was played, setting the patriotic tone for the day's proceedings.

  
**PRINCIPAL**

### **Keynote Address by Dr. Vishwanath M. Awad:**

Dr. Vishwanath M. Awad, the distinguished chief guest, delivered an enlightening keynote address that shed light on the historical significance of the Indian Constitution. He highlighted the challenges faced by the framers of the Constitution and the principles that were incorporated to uphold justice, liberty, equality, and fraternity. His address emphasized the enduring relevance of the Constitution in guiding the nation's progress.

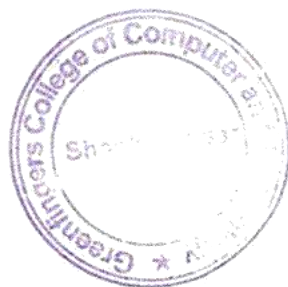

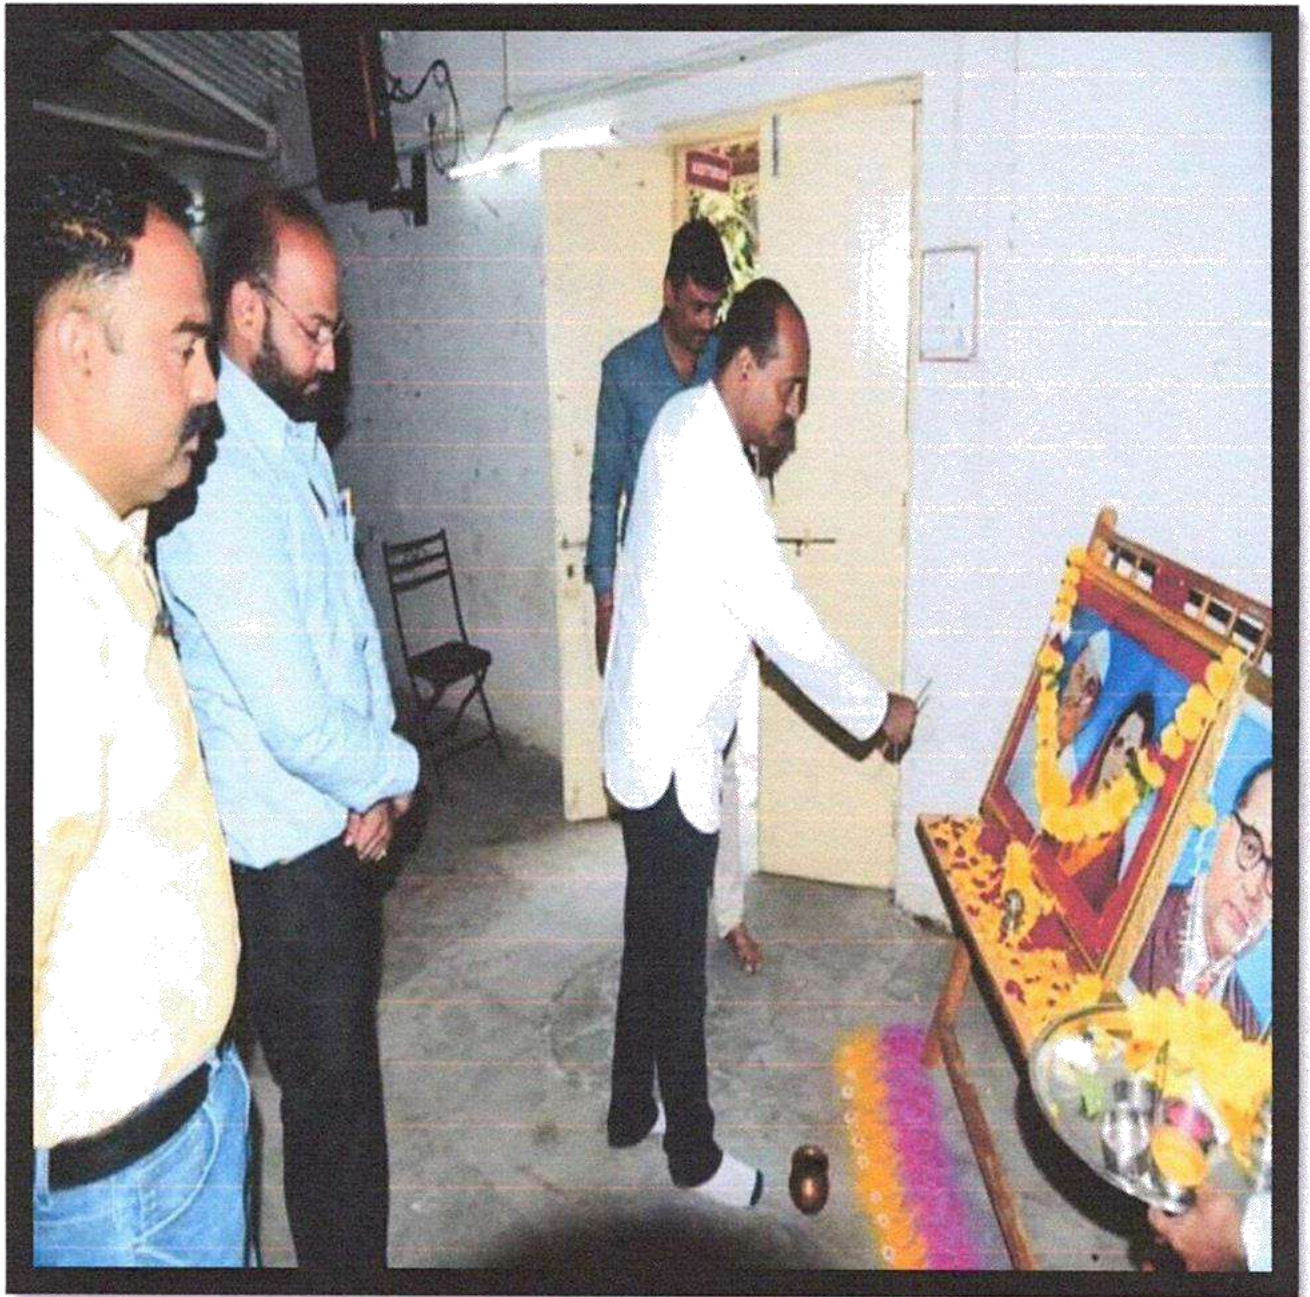

### **Panel Discussion: "Relevance of the Constitution in Contemporary Times"**

A thought-provoking panel discussion was organized, featuring legal experts, scholars, and students. The discussion revolved around the contemporary relevance of the Constitution in addressing current social, economic, and political challenges. Participants examined various constitutional provisions that ensure citizens' rights and debated how these provisions are applied in today's context.

The Indian Constitution Day celebration in our college, graced by the presence of Dr. Vishwanath M. Awad, was a resounding success. The event rekindled deep respect for the Constitution and its creators among students, faculty, and guests. It served as a reminder of the fundamental rights and duties enshrined in the Constitution and encouraged everyone to engage in discussions about its application in contemporary times.

## Outcome of the extension Activity-Importance of nutrition in achieving optimal health

- Participants gain a deeper understanding of the role of nutrition in overall health and wellness.
- Increased awareness of the link between nutrition and specific health conditions can lead to a decreased risk of diet-related diseases such as obesity, diabetes, heart disease, and certain types of cancer.
- Proper nutrition can lead to higher energy levels, improved mood, and better overall well-being.
- A well-balanced diet rich in vitamins and minerals strengthens the immune system.
- Proper nutrition plays a crucial role in healthy aging.
- Participants who become passionate about nutrition may engage in advocacy efforts to promote policies that support healthier food options in their communities, schools, and workplaces.

## निरोगी जीवनशैलीसाठी योग्य सकस आहार आणि नियमित व्यायाम महत्त्वाचा : डॉ.आदिती थिटे

### अकलूज/प्रतिनिधी :

वयात येणा-या मूला-मुलींच्या शरीरात हार्मोन्सची वाढ होत असल्याने शरीरिक बदल घडतात व या बदलाची माहिती त्यांना वेळीच होणे गरजेचे असते. योग्य सकस आहार, नियमित व्यायाम करून शरीराची योग्य ती काळजी घेतली तर निश्चितच आरोग्यदायी जीवनशैली अंगिकारता येते असे प्रतिपादन डॉ.आदिती थिटे यांनी केले.

शंकरनगर-अकलूज येथील शिवरत्न शिक्षण संकुलात शिवरत्न शिक्षण संस्था संस्था व रोटरी क्लब अकलूज, इनरव्हिल क्लब

अकलूज, उपजिल्हा रुग्णालय आणि हिंदू लॅब इन्स्टीट्यूट यांच्या संयुक्त विद्यमाने संकुलात शिक्षण घेणा-या विविध संस्थातील मुलींच्या रक्त तपासणी, आरोग्य तपासणी शिबिर तसेच केस गळती आणि तारुण्य पिठिका या विषयांवरील डॉ.थिटे यांचे व्याख्यान अशा त्रिसूत्री कार्यक्रमाचे आयोजन करण्यात आले होते. या प्रसंगी आरोग्याविषयी मार्गदर्शन करताना डॉ.आदिती थिटे बोलत होत्या.

यावेळी शिवामृत उत्पादक संघ अकलूज चे अध्यक्ष धैर्यशील मोहिते पाटील, शिवरत्न शिक्षण संस्थेच्या अध्यक्षा शितलदेवी मोहिते पाटील,

इनरव्हिल क्लबच्या अध्यक्षा डॉ.श्रद्धा जवंजाळ, डॉ.वैष्णवी शेते, डॉ.आनंद फडे, अमोलिका जामदार, शुक्ला दोशी, रोटरी क्लब चे अध्यक्ष विधीतज्ञ दिपक फडे, सचिव केतन बोरावके, माजी सचिव गजानन जवंजाळ, डॉ.अमोल फडे, योगेश व्होरा, प्राचार्य डॉ.अरविंद कुंभार, लॅब टेक्निशियन सुंदर गायकवाड, गौरी मोरे, मोहिनी माने आदी उपस्थित होते. प्रास्ताविकात डॉ.श्रद्धा जवंजाळ यांनी आरोग्य तपासणी शिबिराविषयी विस्तृत माहिती सांगितली. तर डॉ. अमोल फडे यांनी रक्त तपासणी शिबिरा विषयी विस्तृत माहिती सांगितली.

सूत्रसंचालन प्रा. धनश्री हातोळकर यांनी केले, तर आभार अमोलिका जामदार यांनी मानले. या शिबिरात शिवरत्न शिक्षण संकुलातील मुलींची आरोग्य तपासणी बरोबरच रक्ताच्या विविध तपासण्या करण्यात आल्या.

या शिबिरासाठी शिवरत्न इन्स्टिट्यूट ऑफ मॅनेजमेंट स्टडीज विभागाचे तसेच ग्रीन फिल्ड कॉलेज ऑफ कॉम्प्युटर टेक्नोलॉजी आणि विजयसिंह मोहिते पाटील कॉलेज ऑफ नर्सिंग न्ड मेडिकल इन्स्टिट्यूट मधील राष्ट्रीय सेवा योजना विभागाचे विशेष सहकार्य लाभले.

## निरोगी जीवनशैलीसाठी योग्य सकस आहार आणि नियमित व्यायाम महत्वाचा : डॉ.आदिती थिटे

अकलूज, दि. २५ (प्रतिनिधी) : बयाल येणा-या मूला-मुलींच्या शरीरात हार्मोन्सची वाढ होत असल्याने शरीरिक बदल घडतात व या बदलाची माहिती त्यांना येऊनच होणे गरजेचे असते. योग्य सकस आहार, नियमित व्यायाम करून शरीराची योग्य ती काळजी घेतली तर निश्चितच आरोग्यदायी जीवनशैली अंगिकारता येते असे प्रतिपादन डॉ.आदिती थिटे यांनी केले.

### Outcome of the extension Activity-NSS Special Camp

- NSS camps provide an opportunity for students to actively engage in community service projects.
- Participants develop a strong sense of social responsibility as they work to address community needs and contribute to the welfare of society.
- Participants often come from diverse backgrounds, and NSS camps promote cultural exchange and understanding among students from different regions and backgrounds.
- Health-related activities in NSS camps, such as medical camps and awareness programs, contribute to improved health knowledge and practices among participants and the community.
- NSS camps often involve tree planting, clean-up drives, and other environmental initiatives that promote conservation and sustainability.
- NSS camps provide opportunities for students to take on leadership roles, organize events, and lead teams, fostering leadership skills.
- Participation in NSS camps and volunteer work can enhance a student's resume and open up career opportunities in fields related to social work, public administration, and nonprofit organizations.
- NSS camps aim to instill a lifelong commitment to community service and social responsibility, which can continue to benefit both individuals and society.

## Activity Report of Special NSS Camp

### Introduction:

The National Service Scheme (NSS) camp in Yashwantnagar a week-long workshop conducted from 07/03/2020 to 13/03/2020. The primary objective of the workshop was to promote community development, empower the villagers, and foster a spirit of social responsibility among NSS volunteers. The camp was organized by Greenfingers college of computers and technology Akluj'

The camp commenced with the arrival of NSS volunteers in the serene village. An ice-breaking session was conducted to acquaint the volunteers with the villagers and break the initial barriers. This helped create a warm and friendly atmosphere for the days to come.

The second day focused on understanding the needs and aspirations of the village residents. The volunteers engaged in interactive sessions with the villagers to comprehend their challenges, culture, and way of life. This insight became the foundation for the subsequent activities.

On day 3, educational workshops were conducted for the village children. The workshops covered essential subjects like English, Mathematics, and Science, aimed at improving their academic performance. The volunteers used creative teaching methods to make learning enjoyable and interactive.

The fourth day emphasized skill development among the villagers. Specialized workshops were organized, focusing on areas such as tailoring, handicrafts, and basic computer literacy. These workshops aimed to equip the villagers with new skills, which could enhance their employability and entrepreneurial ventures.

Health and hygiene awareness sessions were conducted on day 5. The volunteers educated the villagers about personal hygiene, sanitation, and the importance of a balanced diet. Additionally, a health camp was set up, where villagers received basic medical check-ups and consultation

### **Outcomes of Extension Activity of Food Donation Camp**

- The primary goal of food donation is to provide essential nourishment to individuals and families facing food insecurity, helping to alleviate hunger.
- Donated food often includes nutritious items like fresh produce, canned goods, and protein sources, improving the recipients' overall nutrition.
- Food donations can play a crucial role in responding to emergencies, such as natural disasters or economic crises, providing immediate relief to affected communities.
- Adequate access to nutritious food can lead to improved health outcomes for individuals who may have been struggling with malnutrition.
- Donating surplus or excess food helps reduce food waste, diverting it from landfills and contributing to environmental sustainability.

### Activity Report of Food Donation Camp

The Food Donation Camp organized by Greenfingers College of Computer & Technology at Sadhubhau Chowk Akluj on July 13, 2018, during the Saint Tukaram Maharaja Palkhi Sohala, was a commendable initiative by the college's NSS (National Service Scheme) students.

During the event, students actively participated by bringing various food ingredients from home, such as Bhakari, chapati, rice, wheat flour, gram flour, green chillies, and oil etc. These ingredients were then used to prepare food for the attendees of the Saint Tukaram Maharaj Palkhi Sohala. The food was cooked and served for Varakaries, likely a cooking or preparation area designated for the event. There were 69 students present.

### Outcomes of Extension Activity Swachh Vari Sunadar Vari

- The primary outcome is the improvement in cleanliness and hygiene in the targeted area, resulting in cleaner streets, public spaces, and surroundings.
- Initiatives often focus on improving sanitation facilities, including the construction or refurbishment of public toilets, waste management systems, and sewage infrastructure.
- Programs promote waste reduction, segregation, and responsible disposal practices, leading to a decrease in litter and pollution.
- Efforts are made to beautify public spaces through landscaping, planting trees and flowers, adding artwork, and improving overall aesthetics.
- Community engagement is encouraged, fostering a sense of ownership and responsibility for maintaining cleanliness and beauty.
- Initiatives may promote cultural awareness and heritage preservation through the beautification of cultural and historical sites.

Sr. No.	Event	
1.	Name of the Activity	Gender Equity Program
2.	Date & Time of Activity	Monday and Date –9 <sup>th</sup> August 2018
3.	Name of the Organizing Committee & Department	Internal Complaint Committee
4.	Objectives for organizing Activity	Empower women & motivate them for self-defense.
5.	Nature of Activity	Lecture
6.	Brief Report	Advocate Rakle V.S. Empower women & motivate students make self-defense in trouble. She introduced knowledge & law related to women harassments.
7.	Outcome	Girl's students get motivated

**Advocate Rakale V.S** guide the girl's students about Women's safety and empowerment have been significant concerns in society for centuries.

To address these issues, promoting self-defense skills among women has emerged as an effective strategy.

This report explores the importance of empowering women through self-defense training and how it can instill confidence, foster independence, and create a safer environment for women.

Gender-based violence, harassment, and discrimination have long hindered women's progress and freedom. By empowering women through self-defense, we aim to challenge traditional power dynamics, promote gender equality, and create a society where women can live without fear

**Benefits of Self-Defense Training:** a. **Increased Confidence:** Self-defense training equips women with physical skills and mental preparation, boosting their self-confidence in various situations, both inside and outside their homes.

**Enhanced Awareness:** Training in self-defense fosters situational awareness, allowing women to identify potential threats and take appropriate action to protect themselves.

### **Outcomes of Extension Activity-Beti Bachao Beti Padhao**

- The program aims to ensure that girls have access to quality education, which can empower them and improve their future prospects.
- The initiative may promote financial inclusion for girls and women by encouraging the opening of bank accounts and the promotion of savings schemes.
- The initiative can lead to broader social change by challenging traditional gender roles and promoting gender-sensitive attitudes.
- The program encourages community participation and support for gender equality and the education of girls.

### Report

### "Beti Bachao Beti Padhao"

Greenfingers College of Computer & Technology in Akluj organized an event as part of the "Beti Bacho Beti Padhao" campaign, which aims to empower girls through education and raise awareness about gender equality. International Daughters Day on September 24, 2018, must have been a meaningful occasion for this initiative.

The fact that the college's female students presented a one-act play about saving girl children is a commendable effort to spread awareness about the importance of saving and educating girls. Such creative and informative activities can be impactful in promoting gender equality and addressing issues related to the girl child.

It's also noteworthy that the event was attended by the college staff, including the Principal Sanjay Salunkhe Sir, who played a crucial role in supporting and promoting this initiative. Additionally, a Vote of Thanks was given by Prof. Londhe Sir, which is a customary way to express gratitude to all those who contributed to the event's success.

## Activity Report self-Defense Camp

Self-Defence Camp organized by Greenfingers College of Computer & Technology's NSS Department was a significant event aimed at providing girls students with self-defence and karate skills. The event took place on December 11, 2019, in the college's function hall. The main concept of the camp was to empower girls with the knowledge and skills necessary for self-protection.

The event had a positive turnout, with girls students participating in the activities. The karate training was conducted by Mr. Vishnu Shinde, who generously offered his expertise free of cost. This indicates a strong commitment to the safety and well-being of the students.

Notable figures present at the event included the College Principal, Dr. Mahesh Dhembare, and the NSS head, Prof. Londhe. Additionally, other ladies from the faculty also attended the event, showcasing the support and involvement of the college staff in promoting the girls' self-defence skills and overall safety.

**Event:** Guest Lecture on "Application of Computer in Various Fields"

**Organized by:** Surya Infotech Sangramnagar

**Date:** Sunday, 16th December 2018

**Time:** 10:30 AM

**Venue:** Surya InfoTech ,Sangramnagar.

**Guest Speaker:** Prof. Keché Samel R.

The guest lecture on the "**Scope of Information Technology**" organized by Surya InfoTech Sangramnagar and delivered by Prof. Keché Samel R. was an enlightening and informative event. It underscored the indispensable role of computers in today's world, touching upon education, healthcare, business, entertainment, research, and the ethical considerations surrounding their use. The event left the audience with a deeper understanding of the transformative power of technology and its potential to shape our future. We extend our heartfelt gratitude to Prof. Keché Samel R. for sharing his expertise and insights with us, and we look forward to more such enlightening sessions in the future.

## Outcomes of Extension Activity-

### ICT Awareness Programme at Various Institutes by Greenfingers College

- The computer field offers a vast array of job opportunities, ranging from software development and data analysis to cybersecurity and system administration.
- Individuals can experience significant career growth as they gain experience and expertise, leading to promotions and higher-paying roles.
- Working in the computer field often involves solving complex problems and developing innovative solutions that can have a positive impact on various industries and society as a whole.
- The computer field is global, and professionals may have the chance to work on international projects, collaborate with teams from different countries, or even work abroad.
- The field is increasingly embracing remote work, providing flexibility and work-life balance for individuals who prefer remote or hybrid work arrangements.

### **Outcomes of Extension Activity-NSS Special camp**

- NSS camps provide an opportunity for students to actively engage in community service projects.
- Participants develop a strong sense of social responsibility as they work to address community needs and contribute to the welfare of society.
- Participants often come from diverse backgrounds, and NSS camps promote cultural exchange and understanding among students from different regions and backgrounds.
- Health-related activities in NSS camps, such as medical camps and awareness programs, contribute to improved health knowledge and practices among participants and the community.
- NSS camps often involve tree planting, clean-up drives, and other environmental initiatives that promote conservation and sustainability.
- NSS camps provide opportunities for students to take on leadership roles, organize events, and lead teams, fostering leadership skills.
- Participation in NSS camps and volunteer work can enhance a student's resume and open up career opportunities in fields related to social work, public administration, and nonprofit organizations

### Activity report of NSS camp

#### Introduction:

The National Service Scheme (NSS) camp in Anandnagar a week-long workshop conducted from 19/01/2019 to 25/01/2019. The primary objective of the workshop was to promote community development, empower the villagers, and foster a spirit of social responsibility among NSS volunteers. The camp was organized by Greenfingers college of computers and technology Akluj'

The camp commenced with the arrival of NSS volunteers in the serene village. An ice-breaking session was conducted to acquaint the volunteers with the villagers and break the initial barriers. This helped create a warm and friendly atmosphere for the days to come.

The second day focused on understanding the needs and aspirations of the village residents. The volunteers engaged in interactive sessions with the villagers to comprehend their challenges, culture, and way of life. This insight became the foundation for the subsequent activities.

On day 3, cleaning program were conducted for the village people. The fourth day emphasized skill development among the villagers. Specialized workshops were organized, focusing on areas such as tailoring, handicrafts, and basic computer literacy. These workshops aimed to equip the villagers with new skills, which could enhance their employability and entrepreneurial ventures.

Health and hygiene awareness sessions were conducted on day 5. The volunteers educated the villagers about personal hygiene, sanitation, and the importance of a balanced diet. Additionally, a health camp was set up, where villagers received basic medical check-ups and consultation

## Outcomes of Extension Activity Breast Cancer Awareness program

- The primary outcome is raising awareness about breast cancer, its risk factors, and the importance of early detection. Many people may not be well-informed about the disease, and these programs help disseminate essential information.
- Awareness programs often lead to more women and men performing breast self-exams and seeking regular mammograms, which can result in earlier diagnosis and better treatment outcomes.
- Detecting breast cancer at an early stage typically leads to more treatment options and higher survival rates. Awareness programs can contribute to improved survival statistics.
- Such programs can help reduce the stigma associated with breast cancer by openly discussing the disease and sharing stories of survivors, promoting understanding and empathy.
- Awareness programs often provide information about support services and resources available to individuals diagnosed with breast cancer and their families, helping them cope with the emotional and practical challenges.

### BREAST CANCER AWARENESS PROGRAM ACTIVITY REPORT

Event	Particular
Name of the Activity	Breast Cancer Awareness Program
Date & Time of Activity	22 /1 /2018 Time:- 11.00 AM.
Objectives for organizing Activity	The program aims to provide students with vital information about breast cancer, its risk factors, preventive measures, and the importance of regular screenings for early detection.
Nature of Activity	Lecture
Outcome:	<p>Increased Awareness: The program aims to educate the target audience about breast cancer, its risk factors, early detection methods, and available resources. A successful outcome would be an increase in public knowledge and understanding of breast cancer.</p> <p>Early Detection: The program may encourage individuals to undergo regular breast self-examinations and clinical screenings. A positive outcome would be an increase in the number of women who detect breast abnormalities early, leading to improved survival rates.</p>

We extend our thanks to all the participants, volunteers, partners, and sponsors who made this program a resounding success.

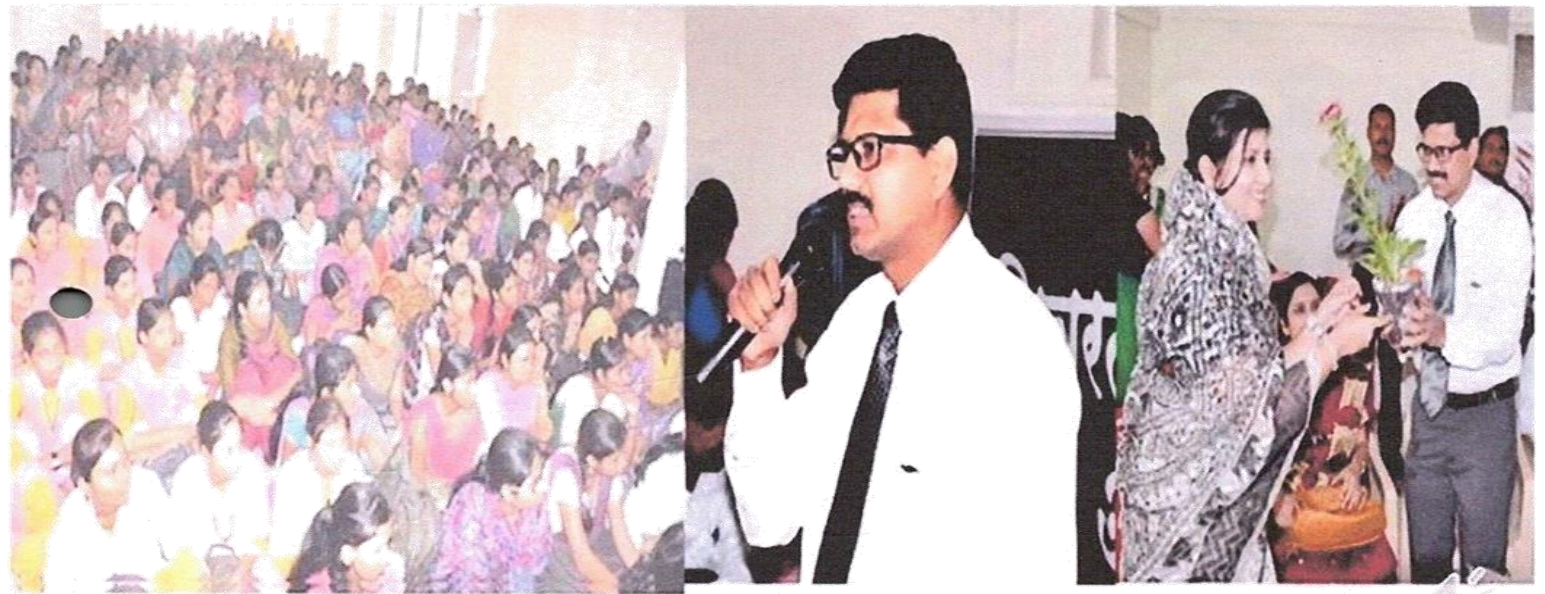

Their dedication and support played a vital role in making a difference in the lives of women affected by breast cancer.

Experts in the field Dr. Lokhande shared breast health, and survivor stories were spoken and share their knowledge and experiences.

Dr. Manoj Lokhande guide girl's students in Breast Cancer awareness program

# स्तनाच्या कर्करोगाविषयी महिलांमध्ये जागृतीची गरज-डॉ.मनोज लोखंडे

## महर्षि डिजिटल न्यूज

ग्रीन फिंगर्स कॉलेज ऑफ कम्प्युटर अँड टेक्नॉलॉजी व शिवरत्न इन्स्टिट्यूट ऑफ मॅनेजमेंट स्टडीज या महाविद्यालयात स्तनाच्या कर्करोगा विषयी मुलींमध्ये विद्यार्थिनींमध्ये जागृतीची गरज आहे याचे महत्त्व ओळखून डॉक्टर मनोज लोखंडे यांचे मार्गदर्शनपर व्याख्यान आयोजित करण्यात आले. स्तनाच्या कर्करोगामुळे भारतात दरवर्षी सुमारे ७० हजार महिला मृत्युमुखी पडतात .

डॉक्टर लोखंडे म्हणाले समाजात कर्करोगासंदर्भात गैरसमज आहेत त्यासाठी आधी लोकांच्या मनातील कर्करोगाच्या इलाज व्हायला हवा समाज जाचा मुख्य आधार आहे महिलांसमोर स्तनाच्या कर्करोगासाठी मोठी समस्या उद्भवली आहे पीडित महिलांना उपचार देण्यासाठी दूर केलेल्या कर्करोग साक्षर मोहिमेची माहिती त्यांनी भारतामध्ये विविध कारणांमुळे कर्करोगाचे प्रमाण वाढत आहे आता निदान तंत्रांमध्ये लक्षणीय प्रगती झाली आहे जसे की आण्विक निदान कर्करोगाच्या अनुवंशिक

चाचण्या कर्करोगाच्या उपचारातही लक्षणीय प्रगती झाली आहे आणि रुग्णांवर आता शस्त्रक्रिया केमोथेरपी रेडिओथेरपीच्या संयोजन उपचार केले जाऊ शकतात विविध हॉस्पिटल मध्ये सर्व समाज कर्करोगाची काळजी उपलब्ध असावी रोगाचा उपचार करण्यासाठी यशस्वी परिणाम देण्यासाठी प्रशिक्षित केले जातात . या प्रकारच्या रोगांमध्ये विविध प्रकारे उपचार व काळजी घेतली जाऊ शकते यासाठी योग्य तज्ञांचा सल्ला व उपचार घेणे आवश्यक आहे असे मत मनोज लोखंडे यांनी मांडले.

### **Outcomes of Extension Activity One Tree One Student**

- The most immediate outcome is the planting of trees, which contributes to environmental conservation by increasing the number of trees in an area. Trees help absorb carbon dioxide, release oxygen, and provide habitat for wildlife.
- As trees grow and mature, they improve air quality by absorbing pollutants and releasing fresh oxygen, which is particularly beneficial in urban areas.
- Tree planting initiatives can play a role in mitigating climate change by sequestering carbon dioxide from the atmosphere and reducing the overall carbon footprint.
- Trees provide shelter and food for various wildlife species, promoting biodiversity in the local ecosystem.
- The initiative provides students with hands-on learning experiences about tree biology, ecology, and the importance of trees in the environment.

### Activity Report One Tree One Student

"One Tree One Student" that was organized by the Government of Maharashtra, PAH Solapur University, and Greenfingers College of Computer & Technology in Akluj. This event involved students planting trees at their own homes as part of an initiative organized by the NSS (National Service Scheme) department. The event took place on January 24, 2019. It's a commendable effort to promote environmental awareness and conservation among students.

### Outcomes of Extension Activity Visit to Orphanage

- Visitors often experience a profound emotional impact when interacting with the children, which can lead to increased empathy and compassion.
- A visit can boost the morale and spirits of the children, providing them with a sense of joy, happiness, and belonging.
- Visitors can engage in educational activities, such as reading stories, playing educational games, or teaching basic skills, which can be both fun and instructive.
- Visitors and children can learn about each other's cultures, traditions, and backgrounds, promoting cultural awareness and understanding.
- Visitors often bring gifts, clothing, toys, and essential supplies for the children, which can help improve their living conditions.
- Visitors may establish supportive relationships with the children, offering them a sense of stability and emotional support.

## Activity Report- Visit to Orphanage

### Visit to Navarng Orphanage by Greenfingers College NSS

Date: February 13, 2019

Organized by: National Service Scheme (NSS) Department, Greenfingers College of Computers and Technology, Akluj

A heartwarming event took place on February 13, 2019, as the National Service Scheme (NSS) Department of Greenfingers College of Computers and Technology in Akluj organized a visit to the Navarng Orphanage in Pandharpur. The event was an incredible display of compassion and unity as 86 students and staff members came together to spread joy and support to the children residing in the orphanage.

The NSS Department had initiated a donation drive, encouraging students to contribute old clothes, toys, footwear, and other goods to support the children at the orphanage. The response was overwhelming, with a significant collection of items that reflected the generosity and empathy of the Greenfingers College community.

Upon arrival at the Navarng Orphanage, the volunteers were greeted with smiles that radiated both excitement and gratitude. The director of the

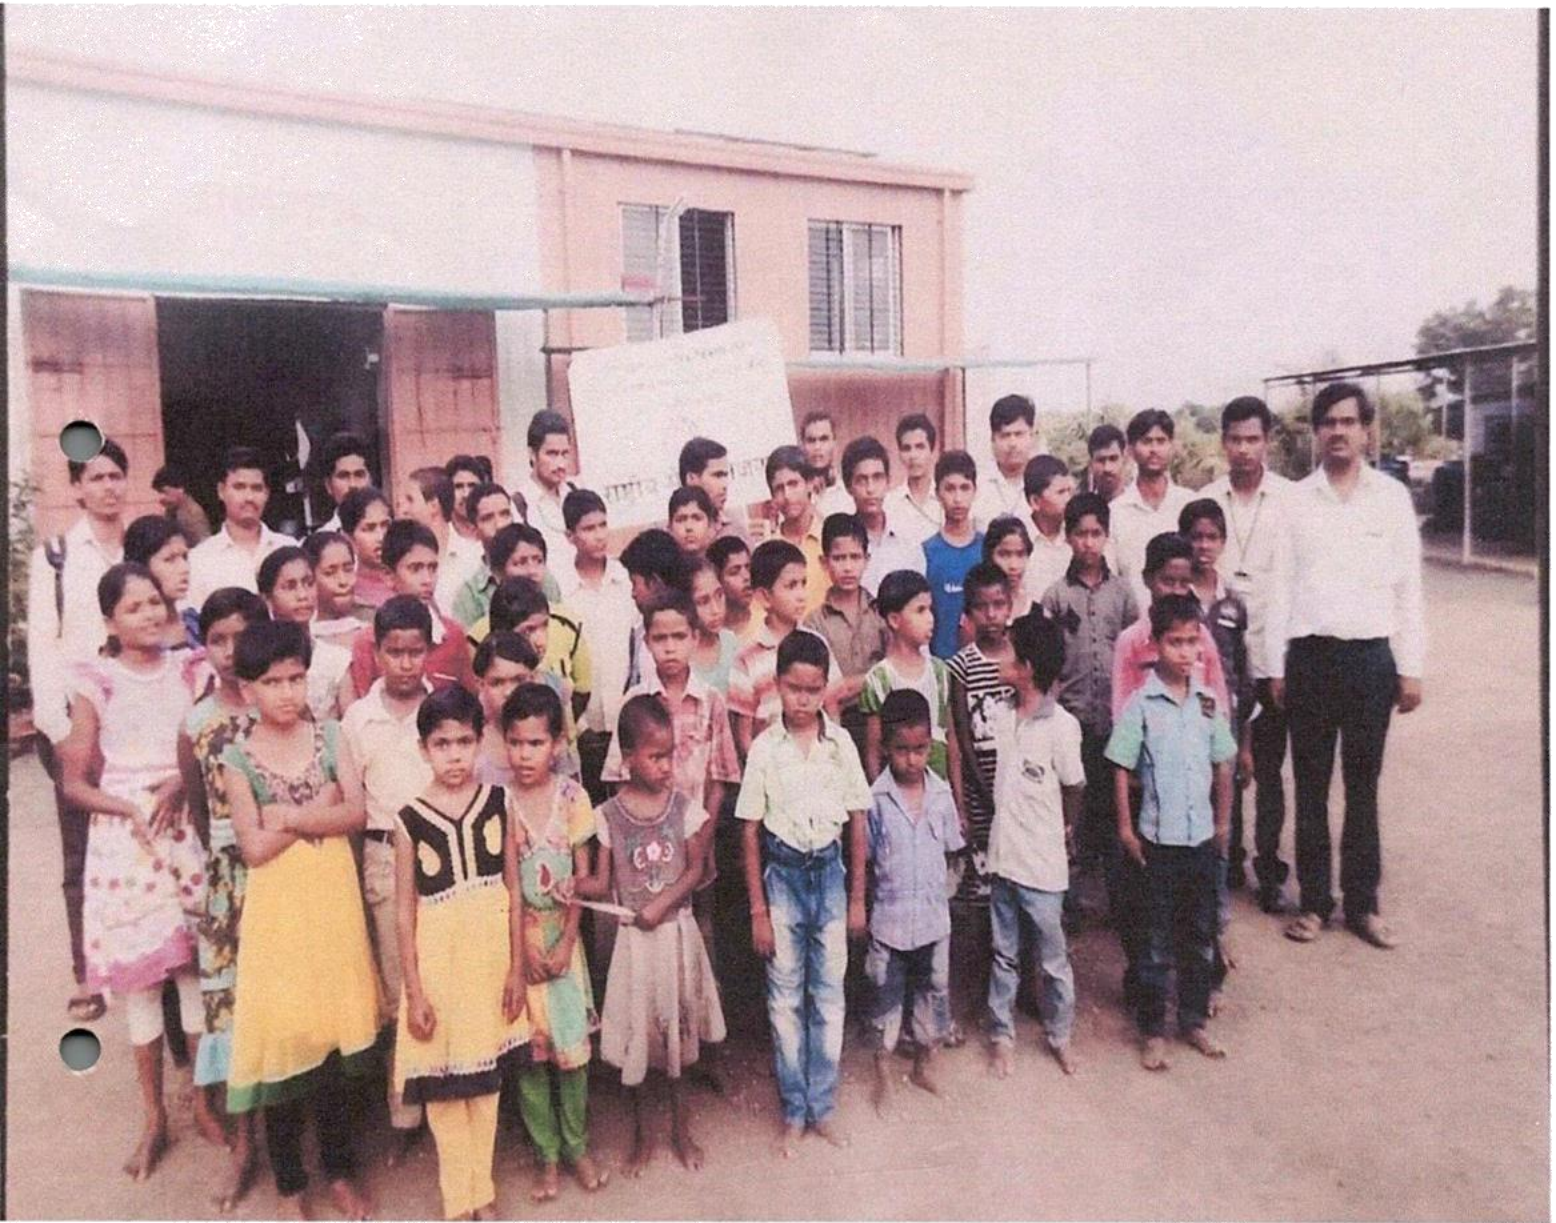

orphanage, who had previously coordinated with the NSS Department, extended a warm welcome to everyone. The collected goods were presented to the orphanage staff, who expressed their heartfelt appreciation for the thoughtful donations.

The day was filled with a series of heart-touching interactions. The college students engaged the children in various activities, including games, storytelling, and arts and crafts. Laughter and joy echoed throughout the premises as the volunteers and children bonded over shared experiences. The students' efforts to make the children feel loved and cherished were palpable in the way they interacted with each child individually.
