PERFORMANCE APPRAISAL SYSTEM

Policy for Performance Appraisal:

The college has Performance Appraisal System for teaching and non-teaching staff.

The teaching staff appraisal is carried out in two ways-

- Students' feedback: students evaluate faculty member's performance on content delivery (knowledge) skills and interpersonal skills.
- Self-appraisal: Besides students' evaluation, teaching staff also fill the self-appraisal form by noting their achievements and skillset upgradation during the appraised academic year.
- These forms are confidential. The principal assesses the appraisal form and adds remark based on the interaction and contribution during the assessment year.

The non-teaching staff appraisal is carried out by taking self-appraisal.

- The staff member has to fill-up the self-appraisal form, which is then assessed by the principal.
- The said self-appraisal form and the remarks given by principal and accordingly put his/her overall review/remark based on the overall interaction and contribution of staff during the assessment year.

These confidential performance appraisal reports of teaching and non-teaching staff members are then to be forwarded to Shri Shivparvati Sarvajanic Vikas Trust for further evaluation, discussion and further decision if any to be taken on the basis.
